Happy Friday Luis -

Hope all is well with you?

Got a call today from Tania Picasso and David Roberts today to let us know the work on the new mural will begin on Monday.

DCA/General Services will be closing off the walkway and protecting your mural, while the new mural is painted.

So our mural will be under wraps for a while, until the new mural is finished in August. David is sending me more details, which I'll post on Facebook.

Also got a call from Mike Machin - he found a swastika tag on our mural. Clean San Pedro dispatched a guy to clean it off.

See ya soon,

Linda Grimes,
